

## **Information regarding Id provided to students by school.**

Dear Parents/Students,

The School has created a unique email id in respect of all the students associated with this school for smooth communication and online delivery of distance learning during this Corona crisis. It will help us in providing you with the best possible learning. Before activation of email ID, kindly ensure you have your unique student ID which was sent to you by school.

Your Email Id will be : [studentID@agveducation.com](mailto:studentID@agveducation.com) for example if your student ID is AGVIV6C then your email id will be [AGVIV6C@agveducation.com](mailto:AGVIV6C@agveducation.com)

Step by Step guidelines are as follows :

Go to [www.gmail.com](http://www.gmail.com)

Login into Gmail by using full email id like : [studentID@agveducation.com](mailto:studentID@agveducation.com)

Enter the Password as your registered mobile number with school : for example if your mobile number is 9934824934 use **9934824934** as password.

You can change your password at your convenience.

Download Google Meet application from Google Play store.

Login into google meet with your custom Email Id to Join the online class.

Meeting Link will be sent to your email address and your registered mobile number.

Make sure you Do not circulate or share your email id with anyone else.

Do not use this email id for your personal purpose as it is meant only for communication purposes between school and parents/students.

School reserves the right to suspend any user found violating institution policy.

Regards,

AGV BARH.
