About the School

Adarsh Gyanodaya Vidyalaya is a CBSE affiliated senior secondary school managed and run by Adarsh Gyanodaya Educational trust. The school is located on N.H. 30 A providing access to a large area of Barh Sub-division in Patna district. The school is located far away from city noise providing appropriate environment for students to study. We have achieved a milestone within a short span of 25 years. Our goal is to provide result oriented professional education to every section of society. We believe in cultivating and fostering understanding and brilliance among our students. Education is important part of our society and it is our duty and responsibility to ensure it reaches every nook and corner of society. The school is committed to provide best education to its student.

This school is affiliated with CBSE Delhi having affiliation no-330219. The School is administrated by The Adarsh Gyanodaya Educational Trust. It is an un-aided School and is open to children of all communities. The medium of instruction is English.

Principal's Message

1. विस्तार त्रजूता का होता है, वक्रता का नहीं ।
2. पद चिन्हों का अनुकरण नहीं, पद चिन्ह बनाना है।
3. हमें सूचनाएँ नहीं ज्ञान चाहिये।
4. सोँचा हुआ नहीं किया हुआ काम आता है।
5. थोपे हुए अनुशासन से नहीं बच्चों की अन्तः प्रेरणा से चरित्र बनता है।
6. बच्चो की मुशकुराने की आदत से उनका सारा जीवन चमक उठता है।
7. राष्ट्र को भाषण देने वालो की नहीं, काम करने वालो की आवश्यकता है।
8. प्रश्न यह नहीं की आप अपने जीवन मे कितने सफल है, माता-पिता के दायित्व निर्वाह में आप कितने सफल है। यही विचारणीय है।

- We avoid all negative education
- We inspire children to raise questions.
- Correct yourself otherwise everybody will kick you.
- We inspire rather than schooling children.
- He, who hates children, hates, God.
- Your child needs preceptors not Teachers.
- Go, where none has gone, do, which none has done.

Academia

The school is affiliated to the Central Board of Secondary Education. The medium of instruction is English and the second language for all classes is Hindi. The syllabus for all classes from I to VIII guidance laid down by the NCERT. Physical Education and Work Experience are essential part of curriculum. Computer Science is a compulsory subject. Art and Craft, music, dance, elocution, yoga and gymnastics are also taught. For classes IX to XII the syllabus prescribed by the CBSE is followed. Working Experience, Physical & Health Education and art Education are part of the syllabus.

Aims

An important goal of education is to prepare children for life as adult and to impart knowledge, skills, qualities and attitudes which will make them self supportive individuals and useful citizens. The school aims not only to provide high-quality education but also to produce citizens with all round personality, full equipped to march out into the world, ready to scale new heights and explore new vistas in life. The emphasis is on imparting education aimed at forming a character based on discipline, self-reliance and moral integrity. We encourage our students to inculcate the qualities of perseverance and intellectual curiosity and blend them with

innovation in the pursuit of knowledge and education that will help them to stand on their own feet. The new concept of Work Experience as envisaged, by the National Policy on Education emphasizes practical work to satisfy the needs of students, the school and the community. Students are engaged in purposeful activities during which they identify their needs and others. They

acquaint themselves with productive activities of communities and learn the source of raw materials and the use of tools and equipment. They develop skills and sharpen their perceptions and creative abilities and in addition to develop respect for manual labour and proper attitude towards regularity, love of excellence and dedication to duty along with deep concern for the environment and their commitment to society.

Value Education

Value education is an essential part of the student's training for life. At Adarsh Gyanodaya Vidyalaya it is considered one of the most important areas of education. The subject is not restricted to single period on the time table, but basic values of life are inculcated in each and every period so that students are able to adjust to varied life situation with young and old alike. With zero tolerance to bullying & corporal punishment, the school has created a safe and enabling environment that meets educational demands and facilitates holistic learning.

Primary Education

Healthy environment, overall development, proper guidance and care, and inclusion of moral values are essentials for Primary education. The School is fully equipped to fulfill needs of aspiring children. It makes the taught feel secure, protected and cared for. Inclusion of moral values, conduct, developing

aesthetics sense and balanced physical and mental growth are the aims of the school.

Child-centered Quality Education

At Adarsh Gyanodaya School, the learners are not just imparted academic knowledge. The emphasis is also on inculcation of values. The school follows highly focused academic programmes where learning is facilitated. Perfection can only be a result of constant care, attention and perseverance (correction). Keeping this in mind we ensure that each student be dealt with the utmost patience and care, developing them into responsible global citizen. These also help in keeping them away from the various negative influences. Environment conservation projects are taken up by the students to enhance their co-scholastic areas. Education being at the center of child's future should be qualitative and approach based. The Pedagogy should be in accordance with latest Education policy. Our only aim is complete development of your child so that Your child's future should be bright and successful.
