Welcome to the Jungle Safari!

Dear Parents and Little Explorers,

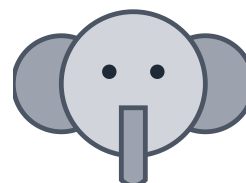

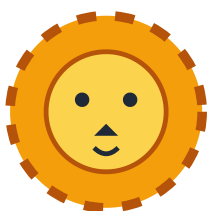

Summer vacations are here! It is a time to relax, play, and learn new things together. This year, we are going on a **Jungle Safari!**

This booklet is full of fun animal friends waiting to play with you. You will trace paths, colour animals, count bananas, and make beautiful crafts.

Instructions for Parents:

- Please guide your child, but let them do the coloring and pasting independently.
- Use thick crayons for tracing as they are easy for little hands to hold.
- Encourage them to make animal sounds while doing the worksheets!
- Submit this booklet beautifully completed when the school reopens.

Happy Safari and Happy Holidays!
